PRESCHOOL NEWSLETTER MARCH 2026

Dear Preschool Parents,

Eid al-Fitr Greetings for Parents

Heartfelt wishes to all our cherished parents and families on the joyous occasion of Eid al-Fitr. May this special time fill your homes with peace, happiness, and abundant blessings. We appreciate your ongoing support, trust, and collaboration in nurturing our students' growth and success.

We hope everyone enjoyed a refreshing and meaningful Eid holiday. As we return to school, we eagerly anticipate welcoming our students back with renewed energy and enthusiasm for learning.

Let us carry forward the positive values of Eid—kindness, patience, and respect—into our daily school life. We are thrilled to continue our learning journey together and achieve great things in the weeks ahead. Welcome back, and let's make this term both productive and inspiring!

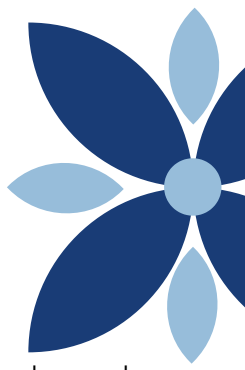

School Event:

Strengthening Bonds: Staff Iftar Gathering

On Friday, March 6, 2026, Mahatma Gandhi School participated in an iftar gathering with the extended family of Gandhi Seva Loka. This event was organized to promote togetherness among all members of Gandhi Seva Loka, including Gandhi Memorial Intercultural School (GMIS), Gandhi Ancol, Mahatma Gandhi School, and Graha Sindhu.

This was the second time the event has taken place, and we hope it will continue in the future, fostering a stronger sense of unity and family among all institutions.

An Evening of Togetherness: Community Iftar at MGS

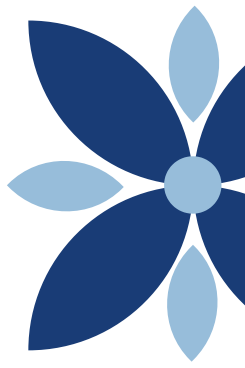

On Friday, March 13, 2026, Mahatma Gandhi School warmly welcomed students, parents, and staff to a delightful Iftar Gathering in the school auditorium. The evening fostered a sense of unity within the MGS family through prayer, reflection, and heartfelt fellowship — a beloved tradition that strengthens the bonds of our community. The program included an uplifting address by Mr. Jhody Arya Prabawa and a sincere prayer led by Mr. Fahriza, creating an ambiance of peace, solidarity, and gratitude.

Lebaran at Mahatma Gandhi School

In celebration of Eid al-Fitr 1447 H, on Tuesday, March 17th, 2026, we held an event titled Lebaran di Gandhi. This activity was organized as an opportunity to introduce and foster understanding of tolerance and religious diversity among the children at Mahatma Gandhi School Kindergarten. During the event, the children participated in various creative activities, such as making mosque collages, creating pop-up mosques, and designing Eid greeting cards. On the day of the celebration, the children wore Muslim-themed outfits and went around exchanging greetings and asking for forgiveness. Through this activity, the children learned the values of togetherness, mutual respect, and strengthening social bonds from an early age.

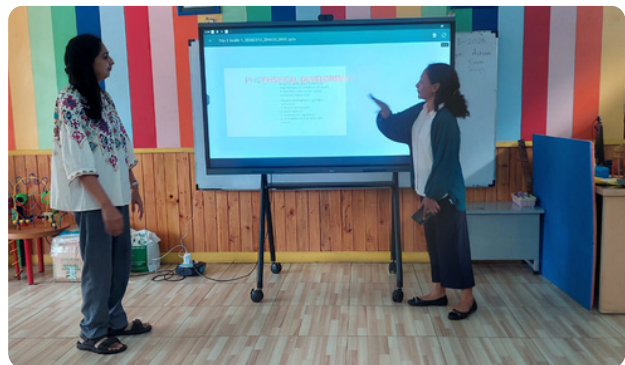

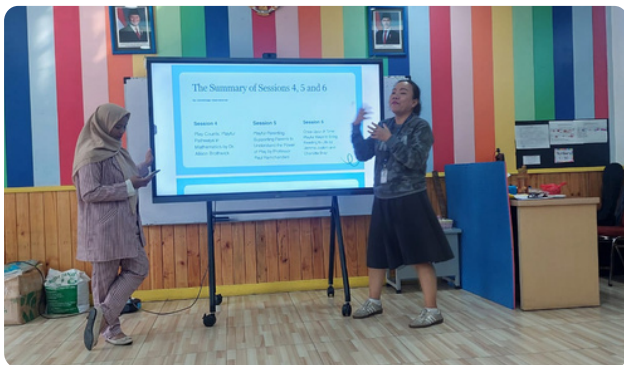

Professional Development

Cambridge Early Years Conference 2026

The Preschool teacher team participated in the Cambridge Early Years Conference 2026, held from March 10th to 12th, 2026. This event is a professional development program organized by Cambridge Assessment International Education for early childhood educators.

The conference aims to enhance teachers' understanding of play-based learning, child development, and child-centered teaching strategies. Through webinars, teachers gained inspiration and best practices to implement in their classrooms.

Health & Hygiene

In preparation for the children's return to school after the holiday break, we conducted thorough inspections and cleaning of the classrooms, restrooms, and playground areas. Our support staff (peon) are dedicated to ensuring the school's cleanliness. We would like to extend our heartfelt gratitude to Ms. Nisa and Ms. Heni for their unwavering commitment.
