SUBJECT: PRIMARY NEWSLETTER (MARCH 2026)

**Dear Primary School Parents and Guardians,**

We are pleased to share our March 2026 Primary School Newsletter. This month brought wonderful moments of cultural celebration, community spirit, and academic achievement, and we are excited to share these highlights with you.

**MGS Open House — Ambassadors of MGS**

On 7 March, our school welcomed families and guests for our Open House, themed "Ambassadors of MGS." Students represented their school with confidence and creativity across three engaging showcases:

- Wonders of Science — Captivating experiments and demonstrations that sparked curiosity and showcased our students' scientific thinking.
- Cultural Showcase — A vibrant celebration of traditions, performances, and crafts reflecting the rich diversity of our school community.
- MGS Radio & TV Live — Students hosted live broadcasts, demonstrating their confidence, communication skills, and creative flair in front of a real audience. It was a proud and memorable day — a true reflection of the MGS spirit.

## Flag Ceremony — Building Character Through Tradition

Our fortnightly Flag Ceremony continues to be an important part of school life at MGS. Through this tradition, students develop discipline, respect, and a sense of national pride — values that shape them both inside and outside the classroom.

## Strengthening Our Community — Iftar Gatherings 2026

Ramadan brought two special moments of togetherness for our school community:

- 6 March — A joint Iftar gathering at GMIS for all teachers and staff, bringing both school communities together in fellowship.
- 13 March — A warm Iftar evening for students and families in the school auditorium, where the community gathered to break fast together in a spirit of gratitude and unity.

## Curriculum Reforms — Aligned with Cambridge Primary Pathway

On 14 March, our Principal, Ms. Rama Sharma, led a focused session on curriculum reforms aligned with the Cambridge Primary Pathway. This forward-looking initiative reflects our commitment to elevating the quality of education at MGS and preparing our students for a globally recognised standard of learning.

## Mathematics Olympiad Competition — GMIS School

We are proud to celebrate our students who excelled in the GMIS Mathematics Olympiad Competition. Their performance reflected strong problem-solving skills, dedication, and a love of learning. Congratulations to all participants — you have made us proud!
